

Aarav Sharma

 aarav.sharma@gmail.com |  +91 9876543210

 Pune, Maharashtra, India

Professional Summary

Machine Learning Engineer with strong experience in Python, data analysis, and predictive modeling. Skilled in building machine learning pipelines, deep learning models, and deploying scalable AI solutions.

Education

Bachelor of Technology – Computer Science Engineering

VIT Pune, Maharashtra

2021 – 2025

CGPA: 8.7 / 10

Technical Skills

- **Programming:** Python, SQL
- **Machine Learning:** Scikit-learn, TensorFlow, PyTorch
- **Data Analysis:** Pandas, NumPy
- **Visualization:** Matplotlib, Seaborn
- **Tools:** Git, Jupyter Notebook, Docker

Projects

Stock Price Prediction using LSTM

- Developed an LSTM based deep learning model to forecast stock prices.
- Implemented feature engineering and time-series preprocessing.
- Achieved prediction accuracy of approximately **85%**.

Image Classification System

- Built a convolutional neural network using TensorFlow.
- Classified images into multiple categories with high precision.
- Implemented data augmentation for improved model performance.

Experience

Machine Learning Intern

TechVision AI Pvt Ltd

June 2024 – August 2024

- Built predictive models for customer behavior analysis.
- Improved model performance using hyperparameter tuning.
- Collaborated with data engineers to deploy models.
