Professional Summary

Detail-oriented Software Tester with 3+ years of experience in manual and automated testing of web and mobile applications. Skilled in designing test cases, identifying bugs, and ensuring product quality across the software development lifecycle. Experienced with automation tools, defect tracking systems, and agile methodologies.

Skills

- **Testing:** Manual Testing, Automation Testing, Regression Testing, Functional Testing, Integration Testing
 - **Automation Tools:** Selenium WebDriver, TestNG, JUnit
 - **Programming:** Java, Python, SQL
 - **Tools & Platforms:** JIRA, Postman, Jenkins, Git, Selenium Grid
 - **Testing Concepts:** Test Case Design, Test Planning, Defect Tracking, API Testing
 - **Methodologies:** Agile, Scrum, SDLC, STLC
-

Work Experience

Software Tester

TechNova Solutions Pvt. Ltd., Bengaluru

June 2022 – Present

- Designed and executed over 1000+ test cases for web-based enterprise applications.
- Automated regression test suites using Selenium and Java, reducing testing time by 35%.
- Identified and reported critical bugs using JIRA, improving product reliability.
- Performed API testing using Postman to validate backend services.
- Collaborated with developers and product managers in agile sprint cycles.

Junior QA Engineer

Infobyte Technologies, Pune

July 2021 – May 2022

- Performed manual testing on e-commerce and CRM platforms.
 - Created detailed test cases and test reports.
 - Assisted in implementing automation scripts for repetitive test scenarios.
 - Participated in sprint planning and daily stand-ups.
-

Projects

Automated Web Testing Framework

- Built an automation framework using Selenium, TestNG, and Java.
- Implemented page object model (POM) to improve code maintainability.
- Integrated automated tests with Jenkins CI pipeline.

API Testing Suite

- Developed API test scripts using Postman collections.
 - Automated validation of REST API responses using JSON assertions.
-

Education

Bachelor of Technology (B.Tech) – Computer Science

Vellore Institute of Technology

2017 – 2021

Certifications

- ISTQB Certified Tester – Foundation Level
 - Selenium Automation Testing Certification – Udemy
-

Achievements

- Awarded **Best QA Performer** at TechNova Solutions (2023).
- Reduced regression testing time by implementing automation frameworks.

Interests

Open-source testing tools, automation frameworks, and software quality engineering.
